

Public Health Act Funerals arranged by Surrey Heath Borough Council

Surrey Heath Borough Council receives several requests each month under the Freedom of Information Act 2000 for information about public health funerals. To reduce the number of requests received, the Council has published details of these funerals on our website, and indicate whether any of these cases have (or are likely to be) passed to the Treasury Solicitor.

Freedom of Information Act Section 31 Exemption (law enforcement - prevention and detection of crime)

The Council will not disclose the deceased's full address details into the public domain. It is likely that the property is unoccupied and it might still contain the deceased's personal papers and effects. There are also concerns that criminal acts may be committed, for example fraud and theft. For these reasons, the Council considers that there is no public interest in releasing the information requested. The public interest is best served by upholding exemption 31 under the Act as disclosure of the information would be likely to prejudice the prevention of crime.

Public Health Act Funerals arranged by Surrey Heath Borough Council 2014-2020
