The Northwest Arkansas Genealogical Society, whose goal is to gather, preserve, and perpetuate records of our pioneer ancestors, presents our fifth volume of Benton County Cemetery records. This volume consists mostly of cemeteries in the Eastern half of the county and also includes a few in the edge of Missouri. We hope to record every cemetery in Benton County.

The N.A.G.S. takes no responsibility for the authenticity of the following pages. We strived for accuracy, but some of the stones are very difficult to read; and there is always a chance for errors, both in copying and in transcribing. We would appreciate corrections.

Anyone having knowledge of burials where there are no stones may contact a member of the committee and the information can be placed in future volumes. We would also appreciate information regarding small or family cemeteries that we may not have on record.

Our cover is a map of Benton County locating major roads and cities, and indicating the sites of the cemeteries in each volume. Geographical locations are given at the beginning of each cemetery list, and the name or names of those who copied that cemetery.

To all those great volunteers who make these volumes possible - our THANKS!

## THE LIVING

You will praise him when he's gone;  
When his earthly struggle closes  
You may send the florist's roses  
His dark bier to lie upon;  
When he cannot hear or see  
You will very friendly be,  
But 'twere better far, he'd vow,  
If he had your friendship now.

You will speak about his worth;  
When he has no need of fame,  
You will glorify his name  
When at last he quits the earth;  
And if he should die today,  
Many kindly things you'd say,  
But I wonder why do men  
Always seem to wait till then?

When the frost is on his cheek  
And his hands lie still and cold,  
All his good deeds will be told,  
Those who're silent now will speak;  
When at last his journey ends  
He will pass through lines of friends.  
But today he musn't know  
That his neighbors love him so.

Draw up, friends, on either side  
For the man who lives today!  
Smile at him and smooth his way,  
Let the line be long and wide,  
As your praise of him be said  
As you would if he were dead,  
Make his living march as fine  
As shall be his funeral line.

Mrs. Clardy says there was a baby son of Marion and Maggie HINSON buried here about 1900; a Mrs. GREEN and twins (that she died giving birth to) and nobody has been buried here in 57 years. s/Velma Snook

## HOLLER CEMETERY in MISSOURI

Located in McDonald Co., Mo., near Mountain and Jacket, and near Pea Ridge, Arkansas. Many of the Arkansas pioneers also were in Missouri, and so we are including this cemetery which has many Arkansas people.

Copied by George and Donna Cooper, Mrs. Elbert Cooper, and Avery Weiser in fall of 1974.

Donna Cooper has much family information on many of these names and will be glad to share. Write her in care of N.A.G.S., P O Box 362, Rogers, Arkansas 72756
