

The first church erected in the village of Newtown was of the Presbyterian faith and was presided over by Reverend William Leverich whose pastorate commenced in 1670. He remained here until his death in 1692 and is without doubt buried in the grounds surrounding the church. He was succeeded by Rev. John Morse in 1694, who was followed by Rev. Samuel Pumroy who died in 1744 and whose stone in the cemetery is still readable; after a labor of forty years Rev. Simon Horton died in Newtown in 1786 and his successor was Rev. Nathan Woodhull who was born in Setauket in 1752 and died in this town in 1810.

The following minute occurs in the town record under date of December 13, 1670:- "At a town meeting voted, that of Mr. Leverich shall continue to preach the word of God, a rate of forty pounds shall be made for the building of a meeting house, one half to be payed in corn and the other half in cattle."

I enclose a letter from the Long Island Historical Society which will explain in part my reference to the Flushing cemetery inscriptions. In my first letter I inquired if they had the inscriptions in the city cemetery. By mistake they sent copies of the inscriptions from St. George's Church Yard. I called attention to the fact that in some cases my private record was different and referred to the difficulty of reading inscriptions. I will mention three cases.

Roe, Mary Ann, daughter of John and Mary Roe, died May 1, 1819; aged 11 years, ~~and~~ 1 day

I think that the age should be 41 years, 1 d. She d. at Baltimore. She left a will, which was probated in 1849. Date of death should be 1849. Her bro William was b. 1796 and b. Charles in 1799

Roe, John, died Feb. 15, 1827, aged 52 or 42 years, 5 months and 25 days according to Bible record he was b. July 18, 1745. This is not quite consistent with age at death as given on the tombstone which I assume is intended to be 82.

Roe, Mary, wife of John died Aug 10, 1829; aged 77 years, 5 months and 29 days.

I think date of death should be 1849 if age was 77; if she died 1829 her age was about 57. Her maiden name was Fowler and her husband, John Roe was b. Dec. 5, 1773 (Bible record) and d. Nov. 7, 1847. There were two John Roes. John the father m. Susanna Lowrey about 1772. She d. Feb. 18, 1823. Her inscription is "R" in "K"

Roe, Cadwallader, died Oct. 8, 1854; aged 52 years, 9 mo. 12 d.

One of the Roes of Flushing copied records as follows:
died Oct 8, 1831, a 52 y 3 m. 12 d.
Inscription evidently had to read. He was b. about 1779 and m. in 1803, Mary Hyer.

Roe, Caroline, wife of William Henry Roe, and dau. of Jonathan and Caroline Pick; died Apr. 16, 1834. I have 1854. They were married Oct. 3, 1839.

You expressed a desire for these. I have not yet searched the Roe inscriptions in the city cemetery. I may be able to get, through the Roes at Flushing, the Roe record in your inscriptions at Eye for Dr. Stephen H. Roe read Stephen. I hope not found his middle name yet. His name was in the directory for many years. Sincerely,
Celestine A. Torrey.
