With this book, Volume IX, we conclude the series, CEMETERIES of BENTON COUNTY, ARKANSAS. These nine volumes contain all known Cemeteries of Benton County, and a few Cemeteries located near the border in neighboring counties, but we feel there are many Benton County people buried in them.

The task we began with such great enthusiasm in the publication of Volume I in the spring of 1974, ends with a sense of sheer determination to complete a task we set for ourselves, and a feeling of great pride that, with this book, we have accomplished our goal.

We cannot possibly list each and every one who helped us. First of all, the members themselves who have given countless hours to the listing of the Cemeteries; the many citizens of the County who pointed out old and abandoned Cemeteries and answered with great patience our numerous questions; the Cemetery caretakers who helped us in every way possible while we were listing the Cemeteries; Verba Jo Pearce who had the dull and monotonous job of proofing and indexing the books; and the many people who helped us in the printing and final stages of publication. To each and all - THANKS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

The N.A.G.S. takes no responsibility for the authenticity of the following pages. We strived for accuracy, but some of the stones are very dim and there is always a chance for error, both in copying and in transcribing.

This volume also contains additions and corrections to our first seven volumes.

It is with great pride that we, the N.A.G.S., offer these nine volumes to you, our readers. Many of the cemeteries contained in these pages were in the final stages of obliteration. We reconstructed stones that were broken, dug buried stones from the covering grass and soil. We can now be assured that even though the stones are destroyed, the names printed upon them will forever be preserved in these pages.

BENTON COUNTY MEMORIAL PARK, INC.

Benton County Memorial Park, Inc. is located four miles West of Rogers off Highway 71, or about half way between Rogers, Arkansas and Bentonville, Arkansas.

This only State Controlled Perpetual Care Cemetery in Benton County was approved by the Arkansas Cemetery Board and the State Health Department in compliance with Arkansas Statutes in July, 1957. It was started by Jack Linville and was named Benton County Memorial Gardens, which was changed to Benton County Memorial Park, Inc. in 1971.

The Statue at the front entrance was purchased and erected by Major William B. McCabe in January, 1975.

The first Garden Type Mausoleum Complex was approved by the Arkansas Cemetery Board, State Health Department, Corps of Engineers and construction began in September, 1975. The Unit of Ascension and the Unit of Resurrection which are two of the four proposed units have been completed.

The Columbarium was approved through necessary channels and was constructed in November, 1975.

The Crematory was approved, constructed, and began operation in December, 1975.

The first burial was Mr. Loy Miller, November 11, 1957.

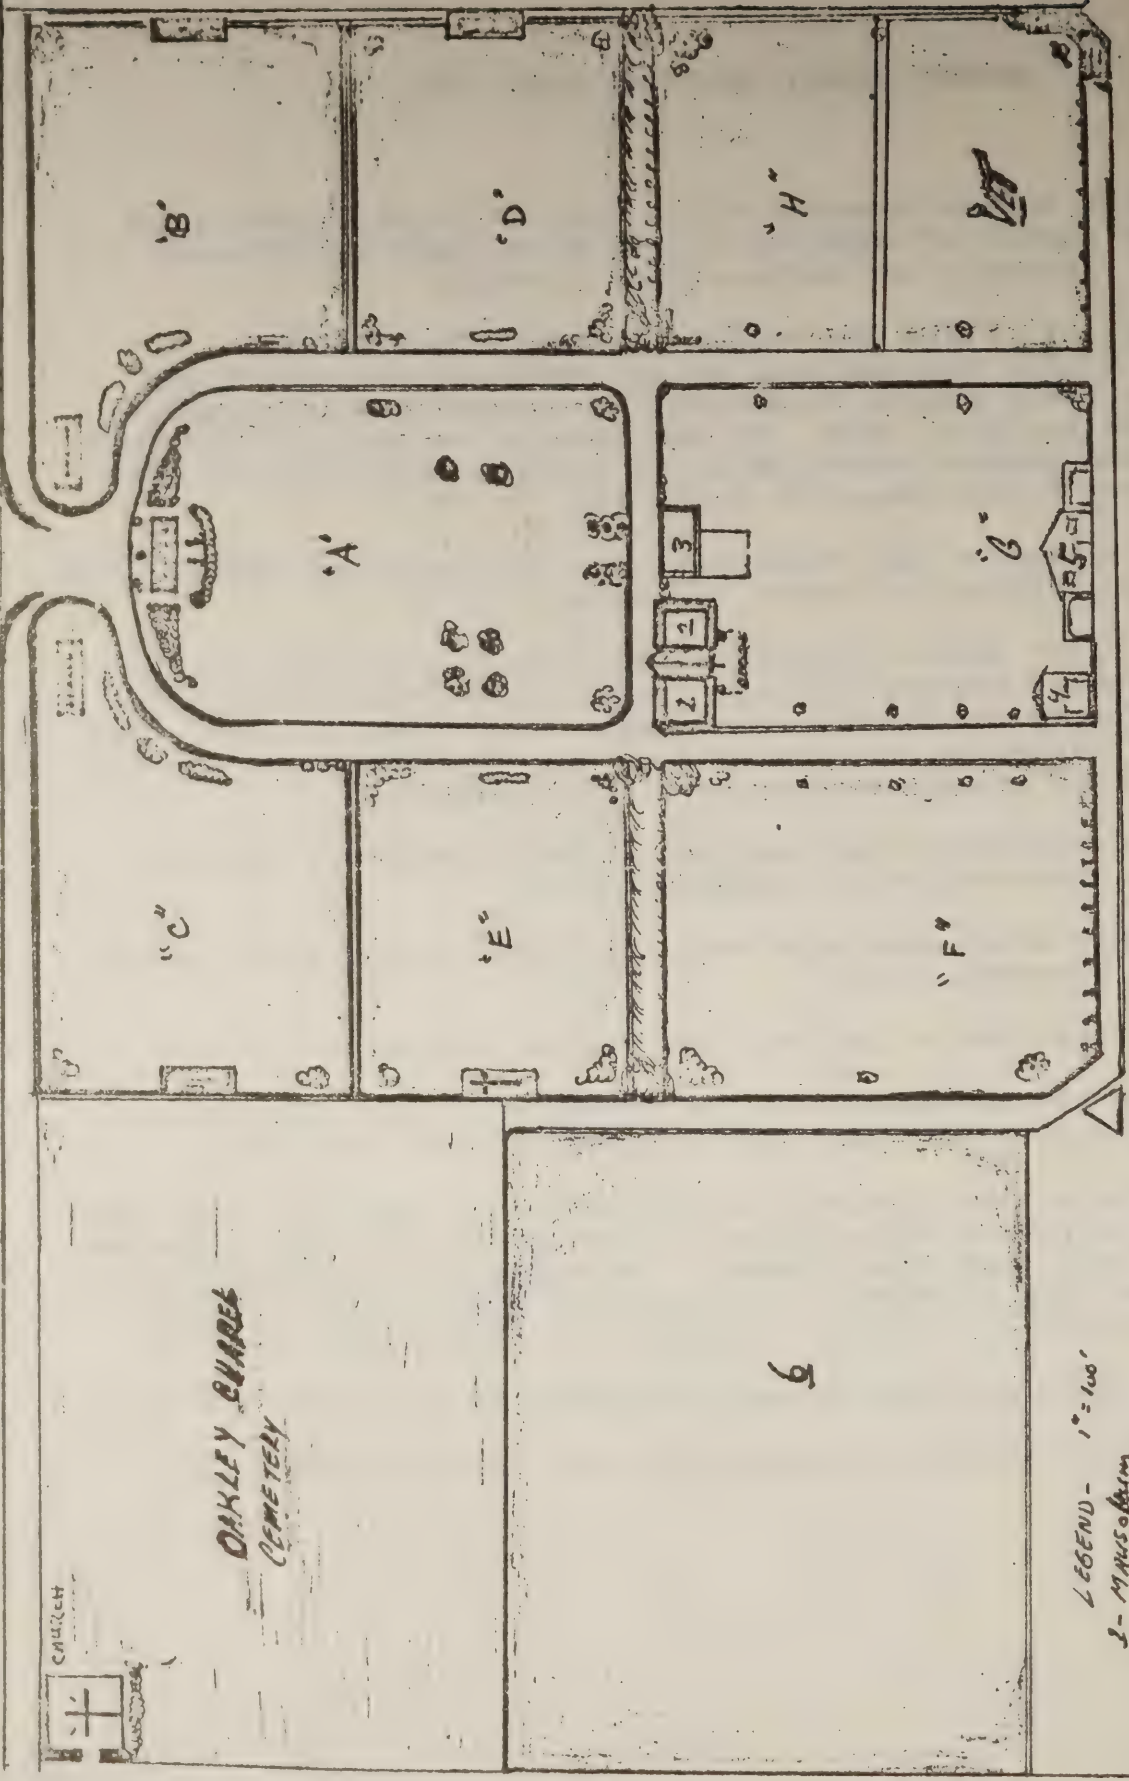

There are approximately 162 Veterans of Wars dating back to the Spanish-American War interred in this cemetery.

A plat of the cemetery is reproduced on page 2. The cemetery is arranged by sections, A through H, plus the Mausoleum, Columbarian, and Rose Garden. The names are in alphabetical order in EACH SECTION. By noting the Block and Lot number and checking the plat, the graves can be quickly located.

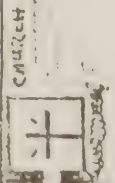

The above information was furnished by Bill and Jo McCabe.

OLIVER

Located near the present town of Beaty.

Information furnished by Mrs. Albert Wenzel, Linton, N.D. 58552

Grandma Oliver was Mrs. Joel H. Oliver, nee Eliza J. CROUCH. She and her remaining children moved to Illinois in 1865. According to family records, those who seem to be buried in or near the present Beaty were:

OLIVER, Joel H.	May 23, 1820	Oct 1, 1864
(Returning from service in the CSA, he was bushwhacked 7 miles from home. He was the father of those listed below.)		
Juliet S.	Jan 1, 1843	Nov 3, 1863
James J.	Feb 13, 1847	Jul 26, 1864
(May have been killed in the war and buried elsewhere.)		
John E.	Nov 8, 1851	Apr 3, 1859
Margaret E.	Mar 11, 1854	Mar 11, 1854
Eliza J.	Feb 12, 1860	Feb 11, 1864
Cindia R.	Jul 1, 1863	Sep 6, 1864

UNKNOWN

A letter from Harold J. Maddox, McAlester, Okla. says there is a cemetery north of Beaty about 5-7 miles, back up in the woods, just off a logging road. No markers with dates, but several sandstone markers, many with fresh flowers, so someone knows who is buried there. Any names, please. He was hunting his ancestor, Abram ROTRAMEL.

DENT or MOORE CEMETERY

According to old newspapers dated 1890's, the cemetery was called Moore. Located 5 miles from Hwy 72 East of Pea Ridge, and 3 miles NW of the 12 Corner Church. Cemetery is almost on the Mo.-Ark line.

Raymond Jefferies in April 1977 talked with Mr. Arley Lynch, who lives near Clifty, Ark. He has the following stones in his yard, and told the following story. In disposing of some property of an old man, these stones were found in the smoke-house and the owner called to see if Mr. Lynch wanted them. ETRIS CEMETERY

In 1871 Capt. Austin Kimsey Etris purchased 40 acres of land (NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 30, Township 20N, Range 29W) located about three miles north of Rogers by way of the Old Wire Road, and one-half mile West of the Pleasant Hill Church.

After Mr. Etris acquired the above land, he established a cemetery in the Southwest corner of the 40 acres. It became a beautiful spot with iris and flowering shrubs around the graves. There were about twenty-five graves, some marked with tombs and others with just brown sandstones. Most of the graves were of the Etris family, but he did permit some of his neighbors to make burials there.

After Mr. Etris died in 1915, the family sold the farm to another family - I have been told to a Mr. Degree. In 1929, my family came here from Oklahoma and purchased this land; and for the forty years my family owned the land, the Etris family came many times to visit the cemetery, usually on Memorial Day.

My family sold this forty acres to the City of Rogers for the Rogers Municipal Airport, the last parcel being sold to them in 1973. The Cemetery no longer exists since it was bulldozed out when the airport was built. The stones cannot be found for reading, but in our effort to preserve all the cemetery records of Benton County, we can furnish the following:
